

New Credit Proposal

* Indicates required fields

* Course Title:

* Course Subject:

* Course Number:

* Credit Hours: (Example: 3 or 3-5)

* Initial Term / Year: (Proposed)

(Please allow one term for development time) 

Instructor Information

* Instructor First Name:

* Instructor Last Name:

* Instructor Email:

* Instructor Phone:

* Indicates required fields

All information below pertains to the department through which this course will be offered.

Department (referring to course):

Other Department:

(If not listed above)

* Has your dean approved the development of this course? Yes
 No

* What is the primary reason for offering the course?

* What student audience will benefit from the course?

* Is this an Ecampus version of an existing course/program?

If so, have on-campus courses been scheduled for next year?
Please identify the sections and seat counts for these courses.

* Will the course "compete" with courses offered on-campus?

* What, if any, will be the impact of the course on on-campus students?

An email will be sent to the person listed below for approval of this course for online delivery.

* Dept. Chair First Name:

* Dept. Chair Last Name:

* Dept. Chair Email:

Please describe any matching funds from the department / college and include any other information relevant to the budget or funding of this course proposal. Ecampus offers funding for courses that will be offered a minimum of two terms per year.

Funding Information: 

Funding Categories

Check all statements that apply

- Course adds significant value to the distance delivery of existing Ecampus degrees, minors, licensure, graduate certificates, and other credit programs.
- Course will meet critical program needs; provide new options, additional minors, Bacc Core, WIC, etc.
- Course is required by degrees, certificates, or minors delineated in the existing MOUs with each College.
- Course has potential for high enrollment to a defined audience.
- Course or cluster of courses proposed will lead to a new degree or program within the next two academic years (plan for implementation must be presented with proposal for funding of courses and must have approval of College and department chair).
- Course is an existing Ecampus offering in need of updating or revision.
