Agricultural & Resource Economics

**Penelope Diebel**, Associate Professor
Agricultural Policy, Natural Resource Economics
penny.diebel@oregonstate.edu

**William Jaeger**, Professor
Natural Resource & Environmental Economics, Agricultural Economics, Institutional Economics, Public Finance & Taxation, Economic Growth & Development, Sustainability
wjaeger@oregonstate.edu

Communications

**Gregg Walker**, Professor
Collaborative Learning, Conflict Management, Decision-Making, Communication
gwalker@oregonstate.edu

Crop & Soil Sciences

**Kimberly Hannaway**, Instructor
Sustainable Agriculture, Forage
Kimberly.hannaway@oregonstate.edu

Fisheries & Wildlife

**Bruce Dugger**, Assistant Professor
Waterbird Ecology, Conservation and Management; Wetland Ecology
bruce.dugger@oregonstate.edu

**Jesse Ford**, Research Associate Professor
Ecosystems Ecology, Paleoecology
jesse.ford@oregonstate.edu

**Robert Lackey**, Professor
Ecological Policy; Science, Policy, and Environmental Protection
robert.lackey@oregonstate.edu

Forest Ecosystems & Society

**Badege Bishaw**, Instructor
Sustainable Forestry; Agroforestry
badege.bishaw@oregonstate.edu

**John Bliss**, Associate Dean, College of Forestry and Professor
Private Forest Policy, Forest-Based Rural Development
john.bliss@oregonstate.edu

**Janean Creighton**, Extension Specialist
Forest Science Delivery
janean.creighton@oregonstate.edu
Paul Doescher, Professor
Ecology and restoration of native species, rangeland, physiological Ecology
paul.doescher@oregonstate.edu

Lisa Ganio, Associate Professor
Statistics, Biometrics, Study Design
lisa.ganio@oregonstate.edu

Troy Hall, Department Head and Professor
troy.hall@oregonstate.edu

Mark Harmon, Professor
Ecosystem succession processes, nutrient cycling, carbon
mark.harmon@oregonstate.edu

Brenda McComb, Dean, Graduate School and Professor
Forest and Wildlife Ecology
brenda.mccomb@oregonstate.edu

Christine Olsen, Research Associate and Instructor
Social Aspects in Natural Resources
christine.olsen@oregonstate.edu

Dave Perry, Professor Emeritus
Sustainable Ecological Principles, Ecosystem Structure and Processes
dave_perry38@msn.com

Steven Radosevich, Professor Emeritus
Ecology of invasive plants, sustainable forestry
steve.radosevich@oregonstate.edu

Mark Reed, Senior Instructor
Ecological Restoration
mark.reed@oregonstate.edu

Matt Shinderman, Instructor
Natural Resources Program
matt.shinderman@osucascades.edu

David Turner, Professor
Ecological Modeling
david.turner@oregonstate.edu
Forest Engineering & Resource Management

**John Bailey**, Associate Professor
Silviculture, Fuels and Fire Management, Adaptive Ecosystem Management
john.bailey@oregonstate.edu

**Hailemariam Temesgen**, Professor
Forest measurements and biometrics, modeling and LiDAR
temesgen.hailemariam@oregonstate.edu

**Loren Kellogg**, Professor Emertius
Forest Operations, Interaction of Harvesting and Silvicultural Systems
loren.kellogg@oregonstate.edu

**Michael Wing**, Associate Professor
GIS and Spatial Analysis
michael.wing@oregonstate.edu

**Thomas Hilker**, Assistant Professor
Remote Sensing
thomas.hilker@oregonstate.edu

Geosciences

**Lynette de Silva**, Associate Director Water Conflict Management Certificate
Analytical Geochemistry, Igneous Petrology
desilval@geo.oregonstate.edu

**Todd Jarvis**, Assistant Professor, Interim Director of the Institute for Water and Watersheds
Groundwater, Water Resource Policy
todd.jarvis@oregonstate.edu

Microbiology

**Jerri Bartholomew**, Professor
Salmon diseases, Myxozoan parasites, Host resistance mechanisms, Parasite evolution
bartholj@science.oregonstate.edu

Nuclear Engineering & Radiation Health Physics

**Kathryn Higley**, Professor
Radiation Biology, Radiochemistry, Radioecology, Societal Aspects of Nuclear Technology
kathryn.higley@oregonstate.edu

Political Science

**Brent Steel**, Professor
Sustainability Science, International Environmental Politics and Policy, Public Policy
bsteel@oregonstate.edu

Sociology
Denise Lach, Associate Professor
Environmental Natural Resource Sociology, Water Conflict and Dispute Resolution
denise.lach@oregonstate.edu

Other
Joe Kerkvliet, Professor
Economics of Sustainable Natural Resources
joe.kerkvliet@oregonstate.edu

Sam Chan, Watershed Health and Aquatic Invasive Species Specialist
samuel.chan@oregonstate.edu
