

**This is a list of e-campus electives that other students in the MHP program have taken over the years. These courses (and potentially others) would be appropriate for your Program of Study. This is not an exhaustive list but only a short list of suggestions.**

***G=graduate standalone. "/" = 400/500 non graduate standalone, or a slash course. The courses highlighted in yellow will be considered "Graduate Standalone" if take through Ecampus.***

"/" BB 550	GENERAL BIOCHEMISTRY (4)
"/" BEE 511	GLOBAL ENVIRONMENTAL CHANGE: USING DATA TO INFORM DECISIONS (3)
