

OSU Baccalaureate Core Courses

With possible open seats for

Expanded Option Students

These are primarily 100 (first-year) level courses, which have had some seat available this year. There are a few 200 level courses. This section is followed by a list of available online courses.

In general, course availability for the upcoming school year (Fall, Winter and Spring terms) will be tighter than in previous years. Students and counselors are advised to check the OSU web site for schedules and also to check for any pre-requisites for the classes. Baccalaureate Core courses can be found at <http://catalog.oregonstate.edu/bcc.aspx>.

DISCLAIMER: Future term data are continually updated. Check the web frequently for current information.
