

# Computer Science Checklist

Now that you have fully completed your online orientation for Oregon State University Ecampus, the next step will be to connect with your academic advisor in Computer Science and register for classes.

Your advisor will assist you through the process of enrollment that includes advisement and registration for classes.

From your Computer Science advisor...

## Welcome to the Computer Science (CS) Post-Bacc Program.

School of EECS (Electrical Engineering and Computer Science) is your academic home.

We are committed to your success. Advisors are available as you are getting started and remain available to help you throughout the program. We look forward to working with you to achieve your academic goals.

## Making an Advising Appointment: Preparation, Scheduling, and Participation

Please check your personal email (entered on your application) to watch for the program advising invitation from the CS department. The invitation will include program information and directions for scheduling an appointment with an academic advisor. Please thoroughly read the advising invitation because it will give you all the details for the academic plan options and the advising schedules.

If you do not see the program advising invite within 10 days of getting admitted, please contact the EECS advisors: [PostBacCS-online@oregonstate.edu](mailto:PostBacCS-online@oregonstate.edu).

Please note that completing the Ecampus Orientation will not lead to an advising appointment. You must refer back to the program advising invitation for scheduling an advising appointment.

## Ecampus Orientation Checklist

### **This checklist should be completed to ensure you are prepared for your first advising appointment.**

#### General

A resource guide is available to download during the orientation. If you did not save this document, please log back into the orientation and save it to your computer. It will provide hyperlinks and tips to help you complete the following steps:

o Set up ONID email (if not complete already)

o Have the following pieces of information at hand during your advising appointment:

- OSU ID#: \_\_\_\_\_
- ONID Username: \_\_\_\_\_
- ONID Password: \_\_\_\_\_

o Contact the Financial Aid office at 541-737-2241 if you have any questions regarding your financial aid status or eligibility

o Find, and bookmark, the Academic Calendar and Academic Regulations on the OSU website

Welcome to Oregon State University!
